## 2009 WEDNESDAY NIGHT SERIES

April 1, 2009 Through September 30, 2009

The Hampton Yacht Club (HYC) will host its usual Wednesday night informal race series. Starts will be provided for PHRF A, PHRF B, PHRF C, and two non-spinnaker fleets PHRF N1 and PHRF N2. The split between the two non-spinnaker fleets will be: up to 154 for N1 and 155 and higher for N2. We will use **RRS 26 Starting System** and plan to maintain the much-enjoyed informality of this series. The format of the race, which is similar to previous years, will be described in a separate circular.

The CCV General Sailing Instruction, Section 3 does not apply. One design classes that would like a start are welcome.

For insurance and other reasons, you must submit a signed standard entry form. Sometime after March 24th each Skipper planning to participate is requested to stop by the HYC office to fill out an entry form and a Race Circular will be provided. There is no entry fee. Tom Ryan is the Series Chairman (C) 635-6702.

Changes will be posted on the HYC Website: <http://www.hamptonyc.com>
