

HYC CUP

2020 Summary

The 2020 HYC Cup season was seriously truncated by the COVID-19 pandemic. However, six races were completed and a champion was named. That HYC Cup Champion was Alan Bomar's baby blue J-24, *Roundabout*. Through thick and thin, Alan kept keeping on and put together a championship season, doing five of the six Cup events and finishing with a rush placing second in the combined Frostbite B/C class and then destroying the Gaboon Race fleet, taking "line honors" by beating the next boat by five full minutes.

The top five 2020 HYC Cup finishers were:

<u>Place</u>	<u>Boat</u>	<u>Skipper</u>	<u>Points</u>
1 st	Roundabout	Alan Bomar	12 points
2 nd	Callinectes	Ben Cuker	10 points
"	Myrage	Christian Schaumlöffel	"
4 th	Kingfisher	Dixon Wilde	9 points
"	Wairere	Peter Hunter	"
